List of Tables

1. Which of the following best describes your military service? 2

2. Is anyone in your household currently serving in the military or a military veteran? 3

3. Are any of your immediate family members currently serving in the military on active duty, in the military reserves, in the National Guard, or a military veteran? 4

4. When timely or adequate health care isn't available from the Department of Veterans Affairs, the VA is required by law to provide veterans the option of getting health care from doctors, nurses, and other providers outside the VA system. Right now, those decisions about when veterans can or cannot seek outside care are determined by administrators at the Department of Veterans Affairs. Would you support or oppose a law, that sets access standards clearly to better define when care can and cannot be sought outside the VA health care system? 5

5. A bill currently in Congress, called the Veteran's ACCESS Act, seeks to set access standards for veterans. Some lawmakers are trying to change the bill so that the access standards would expire after 8 years. Others are trying to make the access standards permanent. In your view, should the access standards be made permanent or should they expire? 6
